

## Seven reasons why you should support Merlin

### 1. First and fast

Rapid response is fundamental to our work. We were one of the first UK agencies to enter Iraq in 2003.

### 2. Regardless of danger

Risk is inherent in our mission, and we will put ourselves into situations other agencies avoid.

### 3. Smart aid

We pass on our expertise for local people to use after we have gone.

### 4. Money well spent

Nearly 94p of every £1 you give is spent in the field.

### 5. You will save lives

When calamity arrives we move quickly to save lives. Every month 1.5 million people benefit from Merlin's work.

### 6. People before politics

We have no political or religious agenda – we provide care to those who need it most.

### 7. Give yourself something to feel proud of...

In a complex world, supporting Merlin is a simple and sure way to know that your values are put into action by people you can trust.
